RULES AND REGULATIONS.

MEMBERSHIP.

- 1. The Members of the Agricultural Societies of the several Townships within the County or Electoral Division or United and 46. Counties wherein the Annual Exhibition may be held, and the members of the County or Electoral Division Society, shall be also members of the Association for that year, provided the Agricultural Societies of the said Townships or Society of the said County, or Electoral Division, or United Counties, shall devote their whole funds for the year, including the Government Grant, in aid of the Association, and shall pay over the same, accompanied by a list of the members of such Society, to the Treasurer of the Association, two weeks previous to the Exhibition; and provided also that the sum so paid over shall not be less than one dollar for each member of any such Society.
- 2. The members of the Council of the Agricultural and Arts Association, both elected and ex officio, the Presidents and Vice-Presidents of all lawfully organized Electoral District Agricultural Societies, and of all Horticultural Societies and Mechanics' Institutes, all life members, and all subscribers of one dollar annually (which shall entitle such subscriber to membership only for the year for which the subscription is paid), shall constitute the Agricultural and Arts Association. The payment of ten dollars shall constitute a life membership of the Association, when given for that special object, and not as a contribution to any local fund; and those persons who have heretofore been made life members under by-laws of the Association, shall continue to be life members of the same.
- 3. Members can enter articles for competition in every department of the Exhibition, at any time previous to the dates hereafter, mentioned.

ENTRIES.

- 5. All entries must be made on printed forms, which may be obtained of the Secretaries of Agricultural and Horticultural Societies, or of Mechanics' Insti-tutes throughout the Province, free of charge. These forms are to be filled up and signed by the exhibitor, enclosing a dollar for membership, and sent to the Secretary of the Association, Toronto, previous to or on the following named dates, viz:-
- 6. Horses, Cattle, Sheep, Swine, Poultry, Agricultural Implements, and Machines:— Entries in these classes must be made by forwarding the entry form, as above mentioned, filled up, and member's subscription enclosed, on or before Saturday, August 23, four weeks preceding the show.
- 7. In the classes of Blood Horses and pure bred Cattle, full pedigrees, properly certified, must accompany the entry. No animals will be allowed to compete as pure bred unless they possess regular Stud or Herd Book pedigrees, or satisfactory evidence be produced that they are directly descended from such stock. In the class of Durham Cattle particularly, no animal will be entered for competition unless the pedigree of the same be first inserted in the English, American, or Canadian Herd Book, or in the Canada Stock Register, kept at the office of the Association, Toronto.
- 8. Grain, Field Roots, and other Farm Products, Machinery for other than Agricultural purposes, and Manufactures generally, must be entered previous to, or on Saturday, August 30th, three weeks preceding the show.

9. Horticultural Products, Ladies' Work, the Fine Arts, &c., may be entered up to Saturday, September 6th, two weeks previous to the Exhibition.

10. Exhibitors are particularly requested to take notice that it is absolutely required that the entries be made at the dates above mentioned, in order to afford sufficient time to examine the entry papers, and to correspond with parties, when necessary, for the correction of errors and omissions; and no exception will be made to this rule on any consideration whatever.

11. In the Live Stock Classes, the entry must in every instance be made in the name of the bona fide owner, and unless this rule be observed no premium will be awarded, or if awarded it will be withheld. If any person shall exhibit any animal of which he is not the bona fide owner, he shall forfeit any premium which may be awarded him, and be precluded from exhibiting in future.

12. In all the other classes entries must be made in the names of the producers or manufacturers only, and by such producers themselves in person, or their agents duly authorized. Any person making entries as an agent for more than one producer or manufacturer must pay the usual subscription of one dollar for each of such parties. If any person shall enter an article for exhibition, as produced or manufactured by himself, when it has not really been so, he shall forfeit any premium which may be awarded the article, and be precluded from exhibiting in future.

13. In all, (unless otherwise specified,) departments, the competition is open to exhibitors from any part of the world, without reservation, on compliance with the rules.

14. Manufacturers are requested to furnish with the articles exhibited, a statement of the quantity they can produce, or supply, and the price, for the information of the Judges, whose decision will be based on the combination of quality, style, and price, and the adaptation of the article to the purpose or purposes for which it is intended.

15. No person shall be allowed to enter for exhibition more than one specimen in any one section of a class, unless the additional article be of a distinct named variety or pattern from the first. This rule not to apply to animals, but to apply to all kinds of grain, vegetable products, fruit, manufactured articles, &c., in which each ad-

ditional specimen would necessarily be precisely similar to the first. No exhibitor in the Arts and Manufactures Department shall be awarded more than one prize in any one section of the same class.

16. Extra Entries.—Every article must be entered under some one of the headings in the regular list, when possible; but if any article is of a distinct character from anything specified in the list, it may then be entered in the extra section of that class with which it most nearly corresponds. No article, however, will be allowed to be entered as an extra for want of sufficient quantity or number, or any other similar defect, when of the same kind or variety as anything named in the list; in such a case the article cannot be exhibited.

17. All Agricultural or Horticultural products must be the growth of the present year. Manufactured articles, or works of art, which have been awarded prizes at any previous Provincial Exhibition, shall not be entered in competition for the prizes named in the prize list for this year, but shall be awarded diplomas, if, in the opinion of the judges, such articles are superior to any others exhibited, and are deemed worthy of the same.

18. On the entry of each animal or article, a card will be furnished the exhibitor, specifying the class, the section, the number of the entry, and the name of the exhibitor, which card must remain attached to such animal or article during the Exhibition.

TRANSPORT OF ARTICLES, PLACING THEM ON EXHIBITION, AND CHARGE OF THEM

WHILE THERE.

19. All specimens in the FINE ARTS and all articles other than Live Stock, Fruits, Flowers, and Butter, must be delivered on the grounds, arranged and placed on exhibition not later than Saturday, 20th September. Live Stock, Fruits, Flowers and Butter, must all be on the grounds not later than Monday, 22nd, 6 p.m. Articles or animals arriving after these hours will not be allowed to compete. Exhibitors of machinery and other heavy articles are to have them on the grounds during the week preceding the show.

20. Exhibitors must provide for the delivery of their articles upon the Show Ground. The Association cannot, in any case, make provision for their transportation, or be subjected to any expense therefor, either in their delivery at, or return from, the grounds. All the expenses connected therewith must be provided for by the exhibitors themselves.

21. Articles not accompanied by their owners may be addressed to the care of

the Superintendent of the Exhibition, who will receive them on their being delivered at the Grounds; but in no case will such articles be brought on the Grounds and placed on exhibition except by and at the expense of the owners or their authorized agents.

- 22. Exhibitors on arriving with their articles, will apply to the Superintendent of the Grounds, who will be stationed within the entry gate, and will inform them where the articles are to be placed.
- 23. Exhibitors will, at all times, give the necessary personal attention to whatever they may have on exhibition, and at the close of the Show take entire charge of the same.
- 24. No articles will be allowed to be removed from the grounds till the close of the Exhibition, on Saturday, 27th, at 9 a.m., except live stock, which may be removed on Friday evening, 26th, at 4 p.m.
- 25. Though the Directors will take reasonable precaution to ensure the safety of articles sent to the Exhibition, yet they wish it to be distinctly understood that the owners themselves must take the risk of exhibiting them; and that should any article be accidentally injured, lost, or stolen, the Directors will give all the assistance in their power towards the recovery of the same, but WILL NOT MAKE ANY PAYMENT for the value thereof.

STEAMBOATS, RAILROADS, CUSTOMS.

- 26. The Association will make such favorable arrangements as are found practicable with Steamboat, Railroad and Express Companies for carrying articles and passengers at reduced rates.
- 27. Arrangements will be made with the Customs Department for the free entry of articles from foreign countries for competition.

ADMISSION TO THE GROUNDS.

28. Each member on paying his subscription, will be furnished with four small admission tickets, each of which will admit the holder once, and must be given up at the gate on passing into the grounds. By economy in the use of these tickets, they can be made to last during the Show; but if a member shall have used them all, and still desires admission, he will have to pay for admission in the same manner as a non-member. Life-members will be furnished as heretofore with tickets or badges admitting them during the Show. Delegates from Societies and members of the Press will also be furnished with complimentary admission badges or tickets, as heretofore.

- 29. The entry tickets upon animals or articles will admit the person bringing them to the Show Grounds for exhibition, along with such animals or articles, without the use of any other ticket. Afterwards, such parties must be provided with proper admission tickets.
- 30. Necessary attendants upon stock and articles belonging to exhibitors will be furnished with admission tickets for each day of the exhibition, with their names written upon them, which tickets will be good, to the persons whose names they bear, at the EXHIBITOR'S GATE ONLY, during the Show.
- 31. The price of admission to those who are not members will be 25 cents each time of entering through the gates on Monday, Tuesday, Wednesday, Thursday and Friday. The admission will be by means of Registering Turnstiles, AND EACH PERSON WILL BE REQUIRED TO BE PROVIDED WITH THE PROPER CHANGE BEFORE ENTERING. Carriages and horsemen will not be admitted. All horses entered for exhibition purposes shall only be ridden or driven while being exhibited, and in the ring.
- 32. Numbers of carriage, buggy and saddle horses having heretofore been entered merely for the purpose of obtaining cheap stabling, and driving about the grounds, the Committee on Horses will exclude from the grounds any such animals as appear unworthy of entering for competition.

JUDGES AND THEIR DUTIES.

- 33. The Judges will be appointed by the Council of the Association previous to the Exhibition, and will receive a circular informing them of the fact, and inviting them to act.
- 34. The Judges are requested to report themselves at the Secretary's office, presenting their circular of appointment, immediately on their arrival at the grounds.
- 35. The judges will meet at the committee room on the grounds, on Tuesday, September 23rd, at 10 o'clock a.m., for the purpose of organizing, and immediately entering upon their duties, and will then be furnished with the committee books containing the numbers of the entries in each class. On receiving their class books, they will also be furnished with blank prize tickets, which they shall fill up and affix in each section as soon as they shall have finally determined their awards.
- 36. No person shall actes a Judge in any class in which he shall be an exhibitor.

- offered for articles enumerated in the list, the Judges will have the power to recommend discretionary premiums for such articles, not enumerated, as they may consider worthy, and the directors will determine the amount of premium. The Judges may also distinguish such animals or articles as they consider deserving of notice, but which have not received prizes, by ticket, with the words "Highly Commended," or "Commended," upon them. These tickets will not entitle the holder to any money payment.
- 38. In the Fine Arts and Mechanical Departments, Diplomas will be awarded, in addition to the money prizes, to any specimen evincing great skill in its pro-duction, or deemed otherwise worthy of such a distinction, on its being recommended by the Judges, and approved of by the Committee, to whom all such matters shall be referred.
- 39. In the absence of competition in any section, or if the stock or articles exhibited be of inferior quality, the Judges are instructed to award only such premiums as they think the articles deserving of. They will exercise their discretion as to whether they will award the first, second, third, or any premium.
- 40. Under "Extras" in each of the classes, when more than one entry of the same kind of article has been made, they will be judged as in competition for first and second prizes, the same as though they had been in regular sections, and when but one such entry has been made, the article, if worthy, shall be recommended a first or second prize. The Judges, however, are instructed not to recommend prizes in either the "regular" or "extra" sections of any class, unless the articles come up to the desired "standard of excellence. No award of prize for Extras will be paid until sanctioned by the Committee of the Association.
- 41. Each award must be written in a plain, careful manner, on the blank page opposite the number of the entry.
- 42. Any person who shall attempt to INTERFERE WITH THE JUDGES WHILE IN THE DISCHARGE OF THEIR DUTIES, OR WHO SHALL AFTERWARDS, ON THE PREMISES OF THE ASSOCIATION, USE ANY CONTEMPTUOUS OR ABUSIVE LANGUAGE TO ANY JUDGE IN CON-SEQUENCE OF ANY AWARD MADE BY HIM, SHALL FORFEIT HIS RIGHT TO ANY PREMIUMS TO WHICH HE MIGHT OTHERWISE BE ENTITLED, AND SHALL BE EXCLUDED FROM EXHIBITING FOR ONE YEAR THEREAFTER.

"Upon the discovery of any fraud, deception, or dishonest practice, either in the preparation, ownership, or of any representation concerning any article exhibited, which may have affected, or may have been intended to affect, the decision of the Judges, the Council shall have power to withhold the payment of any prize awarded, and may prohibit any such party or parties from exhibiting in any class for one or more years, and may also publish the names of such persons or not, as may be deemed most expedient."
